FALLS CITY HOUSING AGENCY

Falls City, NE was recognized as the 2009 Community of the Year by Nebraska Diplomats, and with their new construction project, they continue to be progressive in their community. Falls City Housing Agency teamed up with American Building Supply to completely replace the roofing and increase the energy efficiency by adding insulation in the attics of the 7 dwellings. The scope of work included: remove and replace shingles, underlayment, and flashing. Using Certainteed Insulsafe SP insulation and Atlas Pinnacle 35 Laminate roofing.
